ARC's Self Advocated Becoming Empowered—Rutland (SABE-R) and AKtion Club

The ARC Self Advocates (SABE-R) and the Aktion Club have been engaged and busy throughout the pandemic. On August 24th the group met at Crystal Beach on Lake Bomoseen for a meeting and lunch. Everyone wore masks, followed self-distancing and other state requirements. We all enjoyed the opportunity to see and speak to the other members. Lee and Lehana from Green Mountain Self Advocates distributed PPE kits and spoke with the group on the importance of continued diligence in following all state and local guidelines. The group shared what they enjoyed in the July 'Fun & Learning' packet and Ross distributed the August-September packets. Everyone participating in "Caring and Sharing" with summer stories. A moment of silence was held in memory of our dear friend, supporter and Kiwanis Club liaison; Norma Montaigne.

Coming up: **Monday, September 21st at 3:30pm** the group will meet via ZOOM with guest speaker Merry Postemski from Disability Rights Vermont to review the 2020 Voters Guide for people with disabilities. On **Sunday, September 27th** ARC members are invited to an outdoor Barn Party in Poultney. Sign up now! Keep a look out for **Monthly ZOOM Bingo** dates, times and login information.

Meet Your Board

Herman Goldberg is a longstanding volunteer at ARC Rutland Area and a prominent figure in Downtown Rutland for over 20 or years. Herman's favorite activities are volunteering at ARC, raising and donating money for various charitable organizations, attending ARC events, visiting with his many friends, writing letters, having a beer with a friend, and touring Vermont when his nieces come to visit him in the summer. Perhaps his most favorite event of the year is attending the Green Mountain Self Advocates conference with his best friend, Lisa. Herman enjoys dressing up for and celebrating all holidays and can be seen around Christmas time taking a picture with almost every Santa in Rutland county. On Herman's birthday in 2000 the Mayor of Rutland declared that day "Herman Goldberg Day" as he had raised over \$30,000 for various charitable organizations in Rutland. Almost 20 years later, we can't imagine how much money he has donated since. Herman has an infectious smile and is always there to lend a hand for any task presented to him.

Dear Members and Supporters,

We hope you are all well and that you were able to enjoy the summer despite this challenging time. ARC is slowly resuming some in person activities where proper social distancing is possible. The Aktion Club and Self-Advocate Group had an outdoor meeting in the Center St. Alley Park in July and an August meeting with lunch and swimming at Crystal Beach which was greatly enjoyed by all who were able to attend.

We also have a Barn Picnic and Dance planned for Sunday, September 27th at the Duffy Family home in Poultney. On behalf of the ARC board, staff, and members, I extended our sincere gratitude to the Duffy Family for their generosity in hosting this event.

Supporters like the Duffy Family are vital to ARC's success in carrying out our services and programs. Please consider making a financial or gift in-kind contribution to ARC.

Sincerely,

Melissa Stevens
